THE TYPE OF INFORMATION WE COLLECT AND HOW

Essential Cookies - The site owner has indicated that these are essential to the running of the site.

- Cookie Guard - This cookie is essential for storing the status of your cookie choices whilst using this site.
- ASP.NET Session - This cookie is used to track important logical information for the smooth operation of the site
- ASP.NET User Roles - This cookie is used to store information about authenticated user roles

Non-Essential Cookies - The site owner has approved these cookies but you may turn them off.

- Facebook - Facebook uses cookies to track the sites you visit
- Twitter - Twitter uses cookies to maintain widgets
- AddThis - The cookie is created and read by the AddThis social sharing site JavaScript on the client side in order to make sure the user sees the updated count if they share a page and return to it before our share count cache is updated. No data from that cookie is sent back to AddThis and removing it when disabling cookies would cause unexpected behavior for users
- ShareThis - This cookie is set as part of the ShareThis service and monitors "click-stream" activity
- Google Analytics - These cookies are used to collect information about how visitors use our site. We use the information to compile reports and to help us improve the site. The cookies collect
