## **The Fortune Teller's Beads**

Circa: circa 1925

circa 1925

53.4 x 91.5 cm (21 x 36 inches)

The painting depicts a tent at a fair with Corfe Castle, Dorset beyond. Inside the tent a young couple consult a fortune teller and her beads. The male figure on the left has an immediacy and directness which seems to suggest that it could be a self-portrait.
